CONFIRMATION

This is to confirm that the certificate No 843/A/2016 is valid until 13.03.2019.

The role of the Military Centre for Standardization, Quality and Codification resulting from the provisions in Annex "A" to STANAG 4107 is included in the confirmation process of the quality management system compliance with the requirements of Allied Quality Assurance Publications AQAP.

The certificate owner by meeting the requirements of AQAP 2120 also meets the requirements of AQAP 2130 and ISO 9001 with exclusion of clause 7.3.

The conditions of maintaining the certification validity are:

- the positive results of surveillance audits that should be carried out to 24.02.2017 and to 24.02.2018,
- the positive result of recertification audit that should be carried out to 13.02.2019,
- no suspension or withdrawal of certification.

Failure to comply with mentioned dates to conduct the audits causes temporary suspension of the certification until the positive results of audits.

Outsourced processes resulting from the scope of certification, which are supervised in accordance with the requirements of clause 4.1 of ISO 9001: /-/

Deputy Director of the
Quality Certification Center
